From: Mike Hutchins (NSSAR # 202839), George Washington Chapter SAR  
Subject: Proposed NSSAR Flag Certificate Citation, Callen's Restaurant U.S. Flag Display

This citation is submitted in support of the nomination of Callen's Restaurant in recognition of the patriotic display of the flag of the United States of America.

Callen's is located at the Keystone Ferry landing on Whidbey Island, WA and is under recently acquired family ownership. In talking with Emily Harding Hill, the owner, I found that she and her family are extremely proud of their flag display that is highly visible to all who travel SR 20 to the ferry landing, WA State boat launch and shore area. The flag is visible from most of the interior seating as well. A closing server retrieves the flag and the opening server posts the next morning.

I am honored to submit this nomination.
