May 16, 2019

Mayor Robert Severns,

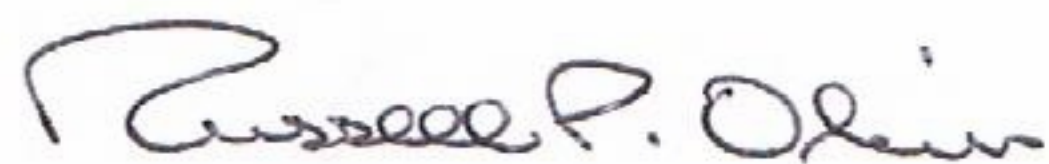

This certificate is presented to the City of Oak Harbor on behalf of the National Society of the Sons of the American Revolution, by the George Washington Chapter, Washington State S.A.R., in recognition of exemplary patriotism in the display of the Flag of the United States of America.

This impressive flag display is located on Pioneer Way in Oak Harbor, just outside the Maui Gate to the Seaplane Base and adjacent to Skagit Valley College (Whidbey Island campus). It is easily visible to hundreds, if not thousands of people on a daily basis entering and exiting the Seaplane Base (where the base commissary and Navy Exchange are located as well as a large Naval Housing complex). It is also very visible from the college campus, and the Oak Harbor Marina.

This is a small, walk-in commemorative park dedicated to the Veteran's of Foreign Wars. It includes the VFW Memorial with flag pole, P2V Memorial, picnic table, park benches, drinking fountain, and a view of Oak Harbor Bay and Marina.

The Sons of the American Revolution is very proud to present this award.

Sincerely,

Russell P. Oliver
