

WASSAR Meritorious Achievement Medal

It is with great pleasure that I award the WASSAR Meritorious Achievement Medal to Compatriot Russell Oliver in recognition of his significant contribution in support of the George Washington Chapter.

Citation:

Compatriot Russell Oliver's significant contribution to the George Washington Chapter includes being ever vigilante in supporting the leadership of the Chapter.

His knowledge of process, protocol, procedure and governing Bylaws of the Chapter, State and National societies is extraordinary. He regularly deploys his knowledge tactfully, but in a manner that leaves no question.

When offering corrective suggestion to me it is always done professionally and with obvious sensitivity to my lack of attention to the issue.

Compatriot Oliver's contributions to the ongoing operation of the Chapter have significantly supported the changes necessary to achieve the goals I set forth when taking office January 2022.

The Washington SAR Meritorious Achievement Medal is awarded to recognize a significant meritorious achievement in support of the Washington society programs or activities. The medal depicts General George Washington a-horse in bronze relief with his sword raised in victory at the Battle of Trenton. It is taken from John Facd's famous painting entitled Washington Receiving a Salute on the Field of Trenton. The inscription reads Achievement and Washington Society S.A.R. The reverse is inscribed For Achievement with Merit. The medal is suspended from a drape in the Washington State official colors of green, blue and gold.

Congratulations!

George Washington Chapter, WASSAR**
