George Washington Chapter – WA SAR

WASSAR Meritorious Achievement Medal

It is with great pleasure that I award the WASSAR Meritorious Achievement Medal to Compatriot Glenn Orr in recognition of his significant contribution in support of the George Washington Chapter.

Citation:

Compatriot Orr having recently joined the Chapter has exhibited extraordinary energy and enthusiasm by taking on several projects and activities during my term of office (2022-2023).

Compatriot Orr accepted the position of DAR Liaison soon after becoming a member. He immediately and energetically engaged the Ann Washington Chapter DAR.

Glenn volunteered and accepted custodianship of the George Washington Chapter's historic flag collection containing more than thirty flags, poles, ground stands and information signs which the Chapter deploys in static display and a mobile display with the WASSAR Color Guard.

He has volunteered and began working on the Chapter Website to ensure member depth in maintaining the most visible Chapter communication effort.

When the Chapter was notified that the 2024 WASSAR Annual Meeting would be held in Skagit County, Glenn was one of the first to join my Task Group and became an enthusiastic participating group member.

The Washington SAR Meritorious Achievement Medal is awarded to recognize a significant meritorious achievement in support of the Washington society programs or activities. The medal depicts General George Washington a-horse in bronze relief with his sword raised in victory at the Battle of Trenton. It is taken from John Fack's famous painting entitled Washington Receiving a Salute on the Field of Trenton. The inscription reads Achievement and Washington Society S.A.R. The reverse is inscribed For Achievement with Merit. The medal is suspended from a drape in the Washington State official colors of green, blue and gold.

Congratulations!

**Leland "Mike" Hutchins, President
George Washington Chapter, WASSAR**
