

WASSAR Meritorious Achievement Medal

It is with great pleasure that I award Compatriot Dr Dale R Harshman the WASSAR Meritorious Achievement Medal, in recognition of his significant contribution in support of the George Washington Chapter.

Citation:

Compatriot Dr Dale R Harshman is the author, creator, developer, and Webmaster of the George Washington Chapter Website.

Since the formation of the George Washington Chapter in 2013 Dr Harshman has managed a highly professional website reflecting the activities, highlights, and successes of the Chapter.

The website presents not only the history, membership, and current activities of the Chapter but in many ways the personality and culture of George Washington WASAR.

This ten (10) year effort reflects Dr Harshman's dedication to the Chapter. We appreciate your efforts!

The Washington SAR Meritorious Achievement Medal is awarded to recognize a significant meritorious achievement in support of the Washington society programs or activities. The medal depicts General George Washington a-horse in bronze relief with his sword raised in victory at the Battle of Trenton. It is taken from John Facy's famous painting entitled Washington Receiving a Salute on the Field of Trenton. The inscription reads Achievement and Washington Society S.A.R. The reverse is inscribed For Achievement with Merit. The medal is suspended from a drape in the Washington State official colors of green, blue and gold.

Congratulations!
