

NSSAR CERTIFICATE OF APPRECIATION

It is with great pleasure that I award the NSSAR Certificate of Appreciation to Compatriot John E. Kraft Sr. in recognition of his significant contribution in support of the George Washington Chapter as Facebook Administrator from 2019 to 2023.

Citation:

The George Washington Chapter Facebook page was initiated and administered by Compatriot Albert “Perk” Bingham. During 2019 Perk passed away.

Compatriot Kraft agreed to step up to the task, not realizing there were no records left by his predecessor to continue the George Washington Chapter Facebook page.

By early 2020 Compatriot Kraft had a new George Washington Chapter page established clearly referencing the previous page and began posting current Chapter news. John also established relationships with the Washington SAR Facebook Administrator and others including the Oak Harbor Lions to share the Celebrations of Memorial Day and Veterans Day via video.

Thank you, Compatriot Kraft!
