

15 September 2018

To: George Washington Chapter, Washington SAR

From: Russell P. Oliver (NSSAR #187844), Flag Award Chair, George Washington Chapter, Washington SAR

Subject: NSSAR Flag Certificate Citation, Pacific Woodtech Corporation, corporate US Flag display

This Citation is submitted in support of the nomination of Pacific Woodtech Corporation in recognition of their exemplary patriotism in the display of the flag of the United States of America.

Chapter member Bruce Bock researched and nominated this flag display at the corporate campus of Pacific Woodtech Corporation, Burlington, WA, where Bruce currently is employed. The original GM, Bob Shroeder, was very patriotic. He was the driving force in standing up the flag display in 1999 when Pacific Woodtech Corporation first opened their doors for business. He retired in 2010, and now there are multiple people that manage the flags, including Bruce himself. The US flag is 10' x 15', 8' x 12' for the Washington flag, and 10' x 15' for the Seahawk flag during football season, switched with Washington flag. Flags are purchased by the business - the American flag every year or so and about every year for the Washington state flag.

Pacific Woodtech Corporation's US flag display at their corporate campus is a powerful visual reminder to all, especially younger Americans, of those who came before us and how bright the future can be for generations to come in the greatest nation on Earth. It is my honor to nominate Pacific Woodtech Corporation for consideration by our chapter to receive this recognition.

Approved by Chapter Acclamation, 15 September 2018 chapter meeting:

Chapter Flag Award Chair

< VACANT POSITION AT THIS TIME >

Chapter Vice President

Chapter President
