

NSSAR CHAPTER MEDAL OF DISTINGUISHED SERVICE

It is my honor and distinct pleasure to make this award which is the highest medal that can be awarded by a Chapter President. This award can only be given once a year.

This year 2022 I am pleased to present this award to C. Marshall Eberhart.

Compatriot Eberhart has worn many hats since becoming a member and accepted more responsibility when I became Chapter President January 2022. He is always ready to share his thoughts and perspective. His contributions are considerable, he chairs the Boy Scout program, he is a member of the Color Guard, leads the Chapter Phone Tree and is the Chapter Member Relations Chairman. In this capacity he re-edited the NSSAR New Member Workbook, using it to personally interview each pending and new member.

He recognized and initiated a program of placing a member with a prospective applicant who was having difficulty pulling an application together, assisting our Chapter Registrar.

He assisted me in reorganizing our Youth Programs by assuming the leadership of all NSSAR Youth Programs except JROTC and worked with me to realize a method of matching the program with Chapter resources.

Congratulations!
