George Washington Chapter – WA SAR

To: Russell P. Oliver, Flag Award Chairman
From: C. Marshall Eberhart (NSSAR #211989), George Washington Chapter, Washington SAR
Subject: Proposed NSSAR Flag Certificate Citation, Greenacres Memorial Park, Ferndale, WA, US Flag Display

This Citation is submitted in support of the nomination of the Ferndale branch of the Greenacres Memorial Park in recognition of their exemplary patriotism in the display of the flag of the United States of America.

Greenacres Memorial Park is located at 5700 Northwest Drive, Ferndale, WA. 98248. Manager, Jody Johnson and Groundskeeper, Jessie E. ensure the display of the National Flag is maintained in an appropriate manner at all times. The display of this flag is highly visible to travelers as they proceed on either Northwest or Axton Roads. The flag is of a standard size and is made of nylon to facilitate a continuous display with proper illumination. The flag is never lowered unless in need of replacement. The facility, the manager and the keeper of the grounds deserve this recognition due to the high visibility of the display and for going beyond the usual display. The flag is displayed with honor, replaced on a regular basis to maintain the flag in a proper, honorable condition. Additionally, tributes to all branches of the services are prominently recognized.

One cannot help but notice this highly visible patriotic flag display on a daily basis. It is my honor to nominate this display of the American flag for consideration by our chapter to receive this recognition.

Very respectfully,

C. Marshall Eberhart
George Washington Chapter Historian
