To: Russell P. Oliver, Flag Award Chairman  
From: C. Marshall Eberhart (NSSAR #211989), George Washington Chapter, Washington SAR  
Subject: Proposed NSSAR Flag Certificate Citation, Tacoma Screw, Burlington WA, US Flag Display

This Citation is submitted in support of the nomination of the Burlington branch of the Tacoma Screw business in recognition of their exemplary patriotism in the display of the flag of the United States of America.

Tacoma Screw & Manager Dennis Millett is located alongside of Interstate 5 at 1075 Goldenrod Rd, Burlington, WA. 98233. The display of this flag is highly visible to travelers as they travel north or south bound on the freeway. The flag measures 15' by 25' and is made of nylon to facilitate a continuous display with proper illumination. The flag is never lowered unless in need of replacement. The store and the manager deserve this recognition due to the high visibility of the display and for going beyond the usual "store policy". The flag is displayed with honor, replaced on a regular basis and has been replaced over 14 times over the last 2.5 years to maintain the flag in proper, honorable condition.

One cannot help but notice this highly visible patriotic flag display on a daily basis. It is my honor to nominate this display of the American flag for consideration by our chapter to receive this recognition.

Very respectfully,

C. Marshall Eberhart
